

Lithuania Global Award in Science and Technology – Art Ragauskas

Arthur J. Ragauskas has been selected as a Laureate of the Global Lithuanian Awards 2024 in the category for International Scientific Achievements by the Diaspora Professional Network Global Lithuanian Leaders.

The Global Lithuanian Awards is a platform for Lithuanians from all over the world to enhance the country's international presence and expand its influence across global economic, scientific and cultural dimensions.

The Global Lithuanian Awards ceremony took place on December 20, from 7-8:30 p.m. at the Vilnius Philharmonic Hall in Vilnius, Lithuania, and was broadcasted live on LRT Plus, a Lithuanian television station.

Dr. Ragauskas is a Governor's Chair with a joint appointment at the University of Tennessee and Oak Ridge National Laboratory
